RACE ROUTE

The route will be marshalled, signed, taped and flagged!

We always spend a lot of time diligently marking out the 10k course'.

Special Mention :

1: Hawthorn Hive (Bay) & Seaham Blast Beach (Bay), when you arrive on Hawthorn Hive and The Blast please run on the right side of the yellow flags as this is the correct race route, any short cutting will result in disqualification, and you will be watched from above on the cliff tops and on the Bays themselves. **It is vital for your own safety that you do not enter or run in the water at any point during the event. Any runner doing so will be disqualified.**

2: The Railway crossing at Hawthorn Meadow and the top of Hawthorn Hive steps.

We will have marshals in place and signing directing runner's away from the crossings. **At no point in the race does the route cross the railway crossings. And it is vital for your safety and your life, that you do not cross the railway**

There will be marshals and signs, but navigation of the course remains the responsibility of the runner. The route is very straight forward and well signed, but please keep your eyes open.

TRAIL ETIQUETTE

As trail runners we pride ourselves on respecting the trails.

We would ask you to do the same, please respect, be polite and give way to other users of the trails during the event.

Do not litter

Keep to the marked route.

During, before and after the event please be mindful that this is a small local community.

Earphones/Headphones are allowed. But you must remove at least one headphone at checkpoints.

FINAL WORD

That's all the what's, where's when's and stern stuff covered, now onto the fun part.

We are delighted how well received the event has been by you the runners.

We thank you for choosing to run on the trails with Trail Outlaws and we insist above all else that you bring along your smile and trail running spirit and enjoy your day with us.
